PRODUKTDATENBLATT

Eclittica 20

Eclittica is an avant-garde lighting systems product line, whose look is striking yet subtle. It is based on advanced LED technology that guarantees performance stability, controlled light and new perceptual qualities.The intrinsic features of this product are dictated by production optimization and optical choices. They become distinctive aesthetics traits, revealing the innovative technological quality applied, the careful attention given to detail, and the thoroughness of the project.
