

PRODUKTDATENBLATT

Meteorite 15 Mini Wall/Ceiling LED

DESIGN:

Pio & Tito Toso
2016

MATERIAL:

Blown glass, aluminum

BESCHREIBUNG:

"Meteorite originates from the pursuit of a new sensibility, a new expressive language for lighting blown-glass. The starting point was our fancy for Venetian "beaten" glass, for the grinding effect, and for the strong charm of the "unfinished" feel that such kind of process brings to glass. We designed a special glass-blowing and grinding process, which allows to obtain impressive lighting depth in the illuminated object, and to make this beauty accessible or – we might say – democratic." Pio e Tito Toso. A family of lamps comprised of four different types, with a double-layer artistic glass diffuser obtained by means of the craft still glass blow moulding technique followed by frosting.

FUNKTIONEN

Produktname:	Meteorite 15 Mini Wall/Ceiling LED
Artikelnummer:	1707010A
Farbe:	white
Material:	Blown glass, aluminum
Serie:	Design

DIMENSION

Höhe:	cm 10
Breite:	cm 15
Durchmesser Fuß:	cm 11
Glühdrahttest:	850 °

DIMENSION

INKLUSIVE LEUCHTMITTEL

Kategorie:	LED
Anzahl:	1
Watt:	8 W
Farbtemperatur(K):	3000K
Baureihe:	A

FARBE

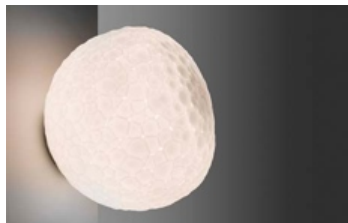

LUMINAIR

Watt:	8 W
Spannung (V):	230V
Lichtstrom(lm):	285lm
CCT:	3000K
Efficiency:	44%
Efficacy:	36lm/W
CRI:	90
