Stone Table Light

Marble. Just to think of the millions of years, unimaginable pressures and heat involved in the creation of these beautiful rocks. This hard, semi-precious surface which bears a unique fingerprint has transfixed architects, sculptors and designers for millennia, and for us too this is the dream material – tough yet tactile, heavy and long-lasting with individual personality. We have used white marble for delicate lamps, sturdy chopping boards and elegant candle holders.

PROCESS	Milled marble
YEAR OF DESIGN	2016
MATERIAL	Marble, glass and brass
PRODUCT CODE	STT01EU
